JUMBOS

FEATURES

The range of Jumbos are available in a range of core sizes, plies and roll lengths. Our selection of jumbo toilet rolls offers a solution for every washroom, big or small. Tissue is manufactured to be soft, absorbent and strong without compromising break down in water characteristics.

Code	Size
J26410	92mm x 410M 62mm Core

ANTIBACTERIAL FOAM HAND SOAP 1000ML

FEATURES

A quality, antibacterial foam hand soap. A mild effective formulation to remove light to medium soiling. Rinses off easily. Ideal for use in the food preparation and catering industries. A non-perfumed, non-tainting formulation to protect against hand and food-borne infections, the product is also effective in hospitals against nosocomial disease. With added emollient to leave the hands feeling smooth and conditioned.

Code	Size
SA1000	1000ml

BUMPER ROLLS

FEATURES

The Essentials range of bumper rolls are often used on garage forecourts and in workshops, these large industrial size wiping rolls are typically dispensed from a floor-stand dispenser and are frequently used to mop up spills and for general wiping and cleaning.

Code	Size
B1BMIL	197mm x 1500M Blue

JANITORIAL

3 PLY CENTREFEED

FEATURES

This 3 ply Centrefeed is ideal for those working on the move. The carry box not only allows freedom of movement but it also protects the paper from unwanted splashes and spills. The 3 ply finish makes the tissue both strong and absorbent and suitable for a range of wiping tasks.

Code	Size
KW1000	255mm x 148M Blue
